REG: Senior Software Engineer

Dear Sir/Madam,

I am writing to express my interest in the Senior Software Engineer position. I am a self-motivated and progress-driven Senior Software Engineer with an extensive background in Software product development for 17 years. I have developed and executed strategies that I believe will bring value to your Organization.

In my Senior Software Engineer position with Unzer GmbH, I handled tasks very similar to what you outlined in your job ad. With my ability to learn, I know I can quickly close any knowledge gaps to become an asset to your team. Have experience in working for startup also as Head of Engineering.

I have effective communication skills and the motivation to take on challenging work. I'm also skilled at product development, programming and technical analysis. I am confident that I have the drive, knowledge and experience you need.

Please take a look at my enclosed resume for more details about my work experience and qualifications. I'd really like to speak with you more about the position, and I look forward to hearing from you soon.

Sincerely,  
Sujai Muthu Kumar Karunakaran
